

IEEE-RAS HUMANOIDS 2023

AUSTIN, USA

DECEMBER 12-14, 2023

The **2023 IEEE-RAS International Conference on Humanoid Robots** will take place at the University of Texas in Austin, Texas USA, **December 12-14**. This event will bring together more than 300 premier research engineers representing state of the art universities, research institutes, and companies worldwide.

The 2023 Organizing Committee **invites you to become a sponsor** at this exciting and high-profile event. You will have the opportunity to showcase your products and services.

Our community envisions innovative areas in humanoid robotics that lie at the intersection of general-purpose, physical, cognitive, and motor capabilities, while also considering the scientific understanding of interactions with humanoid and anthropomorphic systems.
